

The background of the slide is a dark, blue-toned photograph of a concert crowd. In the foreground, the silhouettes of several people are visible, with one person's arm raised and hand open. The background is filled with out-of-focus, colorful bokeh lights in shades of purple, blue, and yellow, suggesting a stage with bright lighting.

Ticketing and guest management at fair conditions!

Price Overview

TICKETINO's all-inclusive fees

We love to unite people through events and believe that both big and small events deserve only the best. That's why we offer event organizers and ticket buyers the easiest possible, 100% self-service platform with comprehensive features at fair conditions and no setup fees!

Ticket price	Ticketing fee
From CHF 500.01	3.9%
From CHF 160.01	4.9%
From CHF 80.01	5.9%
From CHF 40.01	6.9%
From CHF 10.76	7.9%
CHF 0.00 – 10.75	CHF 0.85

If free tickets are generated or tickets are sold via your own channels using the TICKETINO system, only a ticket fee of CHF 0.85 per ticket applies.

- No minimum sales quantities
- Currency independent and VAT neutral platform
- Numerous functions included free of charge such as creation of seatmaps and promocode function
- Automatic payment and cash collection system
